

# Owen Middle School Community Mural Day

Mural artist Lara Nguyen of Warren Wilson College has designed a mural to be painted on the retaining wall behind the OMS baseball field. This artwork reflects the natural and cultural heritage of the Swannanoa Valley, incorporating butterflies, a geodesic dome illustration, Cherokee basket designs and endangered bees.

We invite the community to be a part of this exciting project. Professor Nguyen and her students will be on hand to guide us through the process. No special skills or talent required—just enthusiasm!
